### ***Aquatics Center***

A detailed report for use of the Aquatic Center is attached. (Attachment A).

### ***Fields and Courts Use***

Spring 2023 Pickleball Leagues ended in mid-June due to delays caused by rain. Summer 2023 Pickleball Leagues are scheduled to begin on July 5, 2023.

Pickleball Courts 5-8 and Volleyball Courts 1 and 2 were closed and repainted from June 19<sup>th</sup> to June 25<sup>th</sup>. They are back open to the public and being used daily and reserved regularly. Volleyball now has two repainted Volleyball Courts and two permanent Pickleball Courts. The project was overseen by Shawn Green and Connie Thrasher. While the Volleyball Courts do not get reserved frequently, the courts themselves are used daily, for volleyball and/or pickleball. The pickleball courts located on the volleyball courts are NOT reservable by the public; they are reserved internally only for instruction, clinics, and leagues. Volleyball reservations are given priority.

Instructor-led classes have all been switched over to new contracts, including all Jaguar Tennis Academy lessons and Scott Crandall's Round Robin classes. Instructor, Cade Erikson is leading corporate Pickleball events under Connie Thrasher's direction.

Racquetball Courts have been closed and locked due to the poor and unsafe conditions: the walls are peeling leaving paint chips and bits of plaster littered across the floor, windows have been graffitied and scratched, the steps leading down to the courts are littered with debris, the lights work, but only give off a dim glow.

The Basketball Court had a corporate party reserve it recently for their (Deloitte) five-hour event. The Hockey Rink was reserved for the El Segundo Inline Hockey Association.

The ballfields were reserved for a family kickball game, ESHS and Little League, and Adult Co-Ed Softball, led by recreation specialist, Tyler Fujii. There are 30 teams playing across all five weeknights.

On Juneteenth, there was a twelve-hour internal reservation paid in full through City Hall by Tanya Taylor; those amounts paid are NOT reflected in this report. Areas included were: Lawn Bowling Green, Checkout Grass Area, all Picnic Areas, BBQ Area, and Fire Circle. The event drew a crowd of hundreds of people. There were 10 vendors in attendance with a stage, live music, food, and more. Public attendance and engagement were high.

Raytheon Ball Fields 1 and 2, and Raytheon Soccer Field had internal reservations for ES Baseball and ES Girls' Softball.

A detailed report for the use of fields and courts is attached with the number of reservations calculated by hour. (Attachment B).
