Subject: Re: El Segundo High School

Thank you Mr. Gebhart and look forward to the information in the next Gazette. Hopefully some parents on this email will nominate themselves for the SSC.

Taking into fact the scheduling of PSAT at ESHS on homecoming weekend, change in school schedule at last minute, ESHS Golf Teams (boys and girls) access to Lakes @ El Segundo, these City/School Committee meetings being held with notification only at the City and then the completing of the CSF applications for the first time for my daughter, I have remarks and concerns that I will put at the next Coffee with the Principal.

But my next question is for the Superintendent, Board of Education and Ed! Foundation:

How is it the Ed Foundation collects a fee for Summer School that is taught by educators employed by El Segundo Unified School District, held at El Segundo High School and the grades are on the Report Cards of the El Segundo High School

students? I am trying to reconcile how this is possible as the Ed! Foundation is not a public school entity and the enrollment for Summer School was not by way of a donation but an actual cost to public school students to obtain a spot?

Looking forward to an answer as maybe I just am missing the dots and I am not as informed as others on such matters.

Sincerely,

Daniel Slack Jr.

Hello Mr. Slack,

Thank you for your message and outreach.

El Segundo High School does have a School Site Council (SSC), on which sits three parent representatives, and the opportunity for parent self-nominations will be communicated in the next issue of the Gundo Gazette.

Happy Halloween,

Steve

Good Afternoon Mr. Gebhart,

I have a question in light of a few concerns shared at the last Coffee with the Principal, recent communication from the Board of Education and the issues with the Girls Golf Team practicing at The Lakes @ El Segundo/Top Golf:

1.) Does El Segundo High School have an SSC or a Parent Advisory Board? I have not seen anything in the Gazette about it but maybe because neither exists?

Sincerely and Happy Halloween,

Daniel Slack Jr.
