Subject: Joint Use Agreement

Dear Mayor and Council Members,

Just wanted to send a quick note to tell you I was pleased that Council Member Giroux and Mayor Boyles dug deeper into the Joint Use Agreement with the ESSD. Things have changed quite a bit since establishing it and it's always been of interest to me since being involved while on the recreation and parks commission.

Looking forward to seeing the requested information.

Happy Thanksgiving!

Best regards,
Margie Randall
