**Subject: Community Meeting Event Reminder**

Good Evening City of El Segundo Officials,

I am reaching out to remind you of the upcoming Community Meeting that will be hosted by the Neighbors of the Holly Kansas Grand area. Please join us on Monday, December 4th at 6:30pm at the El Segundo Library.

We are so grateful to our community, who has expressed a strong interest in this event. Because of this, we now have a concern that we may fill up the library conference room. In addition to the in-person event, we are going to do our best to offer the presentation virtually and stream the event live via Google Meets (the log in information is below). It will NOT be recorded. If you are unable to attend in person, I hope that you can listen in from wherever you are on Monday night.

We, the Neighbors of Holly Kansas Grand area, are so appreciative of this opportunity to provide a fact based presentation about this development to our city's leaders and the community.

If you have any questions, please let me know.

Thank you for your time!  
Cheryl
