Subject: **CCL meeting needed**
Reply-To: Julie Stolnack <esnoitall@yahoo.com>

Good morning Council members,

I think a CCL post mortem is needed soon to go over what took place and what possible changes need to be implemented for next year. ESPD, City staff, CCL people and concerned/frazzled neighbors need to come together and share ideas, solutions to the problem.

See the feed on FB El Segundo Community Network.

Thanks,
Julie
