**Subject:** Notice of Completion for the Smoky Hollow Parking Pilot Project

Hello Mr Samaras,

We see that the Smoky Hollow Parking Pilot project is on the agenda tonight. We just want to relay the message from our company and tenants that I've spoken to that we really appreciate the additional parking that the angled layout brings. We hope the City has received other positive feedback and is willing to stripe the rest of the North-South Smoky Hollow streets in the same way!

Thank you,

Mark Telesz
