Subject: El Segundo Fireman

Hello,

As a resident of the city of El Segundo as well as someone who has chosen to have their business located here, I wanted to reach out about the current language that needs to be removed regarding out fireman. The El Segundo fireman are a crucial, inspiring, pivotal part of our city and they deserve our full support. The message the council is sending is not one that is reflective of the community they represent and had caused alarm. The activities, provision, and overall demeanor the fireman provide for the city of El Segundo is a key factor that draws families to locate and plant roots here. Thank you for the time.

Best,
Jenna Humphrey
